

## Beneficiary Application

Thank you for your interest in becoming a beneficiary of Girl's Night Out Scranton. As you may or may not know, we are an organization that is dedicated to giving back to our community. Because of that, we do like to make sure that the money we raise stays local, to help local people; our neighbors.

To be considered to be a beneficiary, your organization must fill out this application. It can be emailed to [info@gnoscranton.com](mailto:info@gnoscranton.com) or mailed to Girls Night Out 2185 Reservoir Road Madison Twp Pa 18444. All applications will be read. We know that there are a million organizations out there that need funding. We would love to help them all, but can only do so one at a time. The applications that we feel to be in the most need of our help will be put in a pile. Those organizations will then have an opportunity to come speak to the board. This will be an informal meeting where you will give a presentation about your organization. We can also ask you questions about your organization. Feel free to bring photos, boards or displays if you feel they help. After we hear from all of the applicants, we will then put all the names in a hat and pull one. Due date to get this application in is June 30,2015.
